Overview

Bruno Gil specialises in personal injury, clinical negligence and professional negligence work. He has been a ranked barrister in both personal injury and clinical negligence since 2022, having been identified as a “Rising Star” in 2021.

His practice also includes costs. Bruno additionally undertakes investigations and acts in inquiries and inquests.

With a BSc and MSc in biological sciences, Bruno has a particular ability to grasp medical issues in a claim. He is increasingly instructed in claims involving complex injuries, including CRPS, chronic pain, FND, traumatic brain injury, spinal injury, and CES.

Further detail of Bruno’s work can be found under the relevant expertise headings.

Bruno is an active member of PIBA and APIL.

Before coming to the Bar, Bruno enjoyed a successful career in management and operations for a global high-end restaurant group, allowing him to hone excellent client-care skills.

During his professional training (BPTC), Bruno won three national advocacy competitions. He attained a further prize in an international mediation tournament. Bruno was awarded the Lord Denning Scholarship and Lord Brougham Scholarship from Lincoln’s Inn.

Personal Injury

Bruno has a busy litigation practice, regularly appearing in the High Court and County Court. He is a ranked barrister in the field.

He is instructed in high-value Multi-track claims, often involving multiple parties and complex issues of liability and causation. Bruno has particular experience with military claims, sports claims, and spinal injury claims.

Bruno has growing expertise in the areas of CRPS, chronic pain, traumatic brain injury, and FND.

Through Bruno’s PI work, he also has experience with (and accepts instructions in):

- Criminal Injuries Compensation Authority cases;
- Inquests;
- Armed Forces Compensation claims;
- First-Tier Tribunal appeals; and
- Army Service Complaints

Notable cases in which Bruno has been instructed include:

- *Multiple Claimants v Chelsea Football Club (HC)*: Claim brought against CFC alleging historic racial and physical abuse.
- *Momonakaya v MOD (HC)*: Claim for psychiatric injury brought by Fijian soldier alleging racist bullying.

William Meade

Clinical Negligence

With a background in biological sciences, Bruno is well suited to this area. He is a ranked barrister in the field.

He acts for both claimants and defendants. He has particular experience in military clinical negligence claims, including delayed diagnosis of PTSD, negligent treatment of non-freezing cold injury claims, and failure to diagnose brain injury.

Bruno also has extensive experience of spinal clinical negligence claims, and is being led in a number of very high-value spinal injury and CES claims.

Bruno has increasing experience acting in cases involving fundamental dishonesty.

Notable cases in which Bruno has been instructed include:

- *Iddon v Warner (HC)*: claim where the Claimant's liability-admitted claim was dismissed for fundamental dishonesty.
- *Eaglesham v Ministry of Defence (HC)*: High-profile claim arising from Q fever chronic fatigue syndrome.

Professional negligence

Bruno's professional negligence practice extends well beyond clinical negligence. He is instructed for and against professionals.

He has acted in cases ranging from architects and construction professionals to solicitors and trade union officials.

Costs

Bruno is well versed in costs and accepts instructions in all aspects of costs work. He has particular experience in:

- Wasted costs applications
- Third party costs applications
- Part 36 disputes
- Costs management
- Assessment of costs

Investigations

Bruno has been involved in several public inquiries and independent investigations. He has acted for schools, charities and sports clubs amongst others.

Bruno continues to accept instructions for fact-finding investigations.
