Annual Dental Seminar 2016

Our seminars, chaired by Mary O'Rourke QC, will cover both regulatory and contractual issues, as well as related dental negligence claims. Regulatory topics will include the tricky question of the meaning of dishonesty before conduct committees and recent case law developments. On the contractual side we will be focussing on the knotty problems which can arise in dental associate contracts. The featured speakers will include Ben Collins QC, Jeo Omambala and Victoria Webb.

Seminars at Old Square Chambers are free of charge, qualify for CPD points and offer high-quality training in recent legal developments and other topical issues. They are open not only to our clients but also to their colleagues and other contacts. All events are designed to be friendly and interactive. We would also be delighted if you would join us afterwards for drinks so that everyone gets a chance to meet and to talk to each other informally.
